Re: recommendation

To whom it may concern,

We have used Promotive Group for our safety and work wear requirements for a number of years and they are always dependable and deliver whilst offering the best prices available.

Their staff understand our business requirements and priorities of convenience with an easy online ordering process and always make sure our deadlines are met.

Due to their efficiency and attention to detail - we highly recommend them for all uniform and merchandise needs.

If you require more information, please feel free to contact me
